FOREWORD

"The Lion marches on." As the Lion marches on through the pages of this annual, may it serve three purposes: to portray to the students through pictures the happenings during their high school career; to serve as a reminder to those who have already passed through the portals of R. L. H. S.; to lure others to seek an education here.

DEDICATION

RUSSELL E. YOAS

We the members of the class of 1940 dedicate this yearbook in appreciation for his fine fellowship, guidance and service to us as students and to the Red Lion High School.
